## March 2016

### Lifetime memories – Lifelong skills

Welcome to the WYC's Summer Newsletter. It's been an interesting summer of frequent high winds and rain which has made for some challenging conditions. Just what yachties like. I must admit I have had the windsurfer out more than the mirror as a result. The weekly Sunday Race and Social program has been going well, especially in the newly renovated WYC facility. And the Regatta – well, what an event!

cool conditions, and light rain; in fact it was probably a welcome relief after the hot Perth summer for many. The 7–16 knot winds were considered ideal for racing. The inaugural Saturday night event in the newly renovated WYC, was a great success. A striking sunset topped off the first day of racing and the club easily catered for all who attended the BBQ and first formal use of the new bar in 'Bob's Box'. Thanks everyone.

the prevailing atmosphere was one of companionship and fun.

It seems we may have an even bigger event in the future with several associations wanting to bring down more boats. It's a measure of how much they enjoyed the weekend. How a significantly larger Regatta might be run, will be discussed with the Committee, WYC members and community, in due course. There is certainly room and it would be an even bigger boon for Walpole but some clever planning is required. But for now let's just all bask in the knowledge that the event went very well and we can

#### Walpole In the Trees Regatta

This year's Regatta went without hiccup and many a positive comment was made from competitors, associations, clubs and officials on its fine organisation. It was great to have 99 nominations that made up 9 divisions this year and lets hopefully crack the tone in 2017. No one was troubled by overcast,

Again, favorable comments were heard about the new WYC facilities. Sailors acknowledged that while there was scope to race as competitively as desired

all take a breath. There are too many people to thank individually but we all pulled together when it counted. The results for all classes can be found at the conclusion of this edition.

### Club Restoration

As mentioned in the introduction the WYC has had recent restoration beginning with a thorough clean-up to allow for more space as a social venue, particularly the undercover outdoor area. The interior and exterior have been painted by the Work Camp. Thank you very much to all involved, it's a superb job. New appliances (stove, hot water system and fridge among others) and fittings have also been installed.

Shortly after completion it was hired by members over the festive weeks for family celebrations and also by the Walpole Primary School end of year function. Since writing this of course it has more recently been used in the Regatta to good effect. Feedback was that it is an excellent venue providing protection from the elements combined with a mesmerizing view. Hire fees are \$50 half and \$100 for a full day with a fully catered kitchen, crockery, chairs and tables, coffee and tea facilities and the kayaks and boats are available for use. While the bulk of the restoration is largely complete we are constantly thinking and planning for further improvements for

ongoing efficiency and comfort. In addition the eagerly anticipated rock-wall breakwater is finished. It runs along the front of the clubrooms in response to an engineering report. This will offer a barrier to wave action and ensure the stability of the premises for many seasons to come. Thank you to Bob Quinn for the donation of rocks, and Denmark Mini Diggers (Rusty), Walpole Concrete Supplies and Earthmoving Services (Nigel) and Walpole Dingo Services (Garth) for the installation of the wall.

### Sabre Association Visit Walpole

The Sabre Association came to Walpole mid-January to join our Sunday Race Day. Seasoned member Dennis Coulson was so inspired he bought one and is now part of the racing fleet. He had a lot of fun in the regatta.

### Sundays Race Program

Sunday Sailing continues through to March 27<sup>th</sup> starting at 9am. Race times vary according to weather forecasts as members know, but are usually at 10.30 and any changes will be emailed prior. We have several racing fleets to participate in or just come down for lunch and coffee and a swim or paddle. Kids have the fleet of mudlarks and oppies to learn in. Or sail one of the Clubs Windrush 14 for some fast fun – thank you Ian T for organising the three Windrush for the Club.

There could be a Catamaran Training Session offered by the club post-Regatta, if there is

sufficient interest. Please contact the Club if you would like to attend a training session.

### Member Youth Coach Training

The club is sponsoring interested club juniors over the age of 14 in undertaking accredited dinghy instructor and coaching courses - following the Yachting Australia Coaching Pathways. The Dinghy Instructor accreditation (YA) is what the club is pursuing to train 8 of our active junior sailors. The accredited qualification creates an employment opportunity in Walpole for our sailors aged 15+ to conduct courses through the club for anyone wanting. Also, for those moving to go to university this accreditation may be used at many sailing clubs to train juniors. It should develop sailing skills, confidence and opportunities; they come out with two boat certificates and an applied first aid qual.

Once we have an 18+ person holding this qualification the Club can register as a Discover Sailing Training Centre and receive all training syllabus from YWA to run the courses.

The prerequisites for this accreditation are:

1. Holding an Applied First Aid Certificate (we're asking individuals to cover this cost)
2. Holding a Yachting Australia Power Boat Handling Certificate and Recreational Skippers Ticket (paid through funding)

The course training will involve a pre-course online training and two day practical training for

the Instructors qualification through YWA. The trainer will come to Walpole to hold the training.

The Club has submitted a grant recently towards covering most of the training expenses for the 8 juniors - \$4200 worth of training. This would cover the Yachting Australia Power Boat Handling Certificate, RST and two day practical training.

Dean Caple, Training and Development YWA, would visit Walpole over a couple of weeks to facilitate the YA Power Boat Handling Certificate and the RST on weekday evenings so not to interrupt weekend sport commitments. Travis (YWA) would then come down to conduct the 2 day practical training. The course would usually amount to a cost of approx. \$647.00 per person but will hopefully be reduced to the individual covering only their first aid qual. of which the Club would facilitate.

### Max Cummiskey wins a voyage

The WYC 2016 Junior Development Initiative – Leeuwin Ocean Adventure Youth Explorer Voyage (kindly funded by an anonymous member) was offered to a Walpole Yacht Club active member, who is a local resident and aged between 14 and 25 years of age. It is aimed at

providing an opportunity for personal and leadership development. The Leeuwin Ocean Adventure Foundation operates Youth Explorer Voyages on the sailing vessel STS Leeuwin II for individuals from all walks of life and backgrounds. Voyages include programs designed to help young people build skills such as self-confidence, communication, teamwork and leadership. These are valuable life lessons and assist the participants to make the most of future education and employment. Congratulations to Max!

#### WYC Kayaks

As mentioned in the previous newsletter we have 10 kayaks for use by members and non-

members (the latter with a small donation). These kayaks are now installed on a purpose built rack along with a registered trailer to transport to other locations. Thank you to Ian T and Tom for organizing the rack and trailer.

#### Kayak Eco-Trails

Tim is now in the process of trialing and documenting a series of Eco Kayak Trails for the WYC. It will include both inlets and associated tributaries. The result will be a pamphlet/booklet of approximately a dozen trails and also available online via the WYC site at some point. It will provide information to help identify the best trails to suit a paddler based on conditions, distance, duration and interests.

It emphasizes the environmental highlights of the trail especially local fauna.

This will provide local knowledge to our own community and visitors, encouraging people to utilise our beautiful waterways sustainably.

Any enquiries and all suggestions are welcomed

[yachtclub@walpole.org.au](mailto:yachtclub@walpole.org.au)

## Dedication to friends of Walpole Yacht Club

A sincere thank you is extended to those individuals, businesses, companies, community groups, Government Departments - State and Local who have so generously donated their time, skills, money and moral support. Their commitment to the repair and upgrade of the Club House, provide training of our young people week after week, and assist in holding the 2016 "In the Trees Regatta" is invaluable

**We salute you!**
